Shrub- Shade

Azalea 'Bloom-A-Thon Lavender'	Azalea	Part to full shade	Bright deep lavender	30" tall
Rich, moist, well-drained, acidic soil.		6 to 9	SP & MSU-LSU	3'-4' wide
Why settle for just a week or two of flowers when you can enjoy up to five months of blooms? Large, bright deep lavender flowers appear in April, then rebloom in early July, continuing through fall until hard frost. Even high summer temperatures don't stop this beauty from producing loads of late summer and fall flowers. The evergreen foliage is disease resistant, and maintains excellent color year-round. Flowering lasts for 4 to 6 weeks in spring, and then intermittently in summer and fall.			Azaleas are not warranted.	
Azalea 'Bloom-A-Thon Pink Double'	Azalea	Part to full shade	Medium pink	42"-54" tall
Rich, moist, well-drained, acidic soil.		6 to 9		3'-4' wide
Why settle for just a week or two of flowers when you can enjoy up to five months of blooms? Large double pink flowers appear in April, then rebloom in early July, continuing through fall until hard frost. Even high summer temperatures don't stop this beauty from producing loads of late summer and fall flowers. The evergreen foliage is disease resistant, and maintains excellent color year-round. Flowering lasts for 4 to 6 weeks in spring, and then intermittently in summer and fall.			Azaleas are not warranted.

For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	

Shrub- Shade

Hydrangea arborescens 'Incrediball'	Smooth Hydrangea	Part shade	White to green	4'-5' tall
Rich, moist, well-drained soil.		4	SU-F	4'-5' wide
A new and improved 'Annabelle' Hydrangea, with beefy stems and massive blooms. The breeding goal was stronger stems to eliminate the blooms from flopping, but they achieved incredibly large blooms, too! Each bloom has roughly 4 times as many flowers as 'Annabelle'!			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Hydrangea arborescens 'Incrediball Blush'	Smooth Hydrangea	Part shade	Blush pink	4'-5' tall
Rich, moist, well-drained soil.		3 to 9	ESU-MF	4'-5' wide
'Incrediball' hydrangeas are beloved for their stout stems and massive blooms. 'Incrediball Blush' adds a new color to the series. This beauty has big, bodacious, blush pink blooms that change to an attractive green color as they age. The sturdy stems hold the large flowers up even after heavy rains, making this a great choice for cutting and drying. Needs part shade (morning sun is best) and moist, well-drained soil. Blooms only on new wood; prune in late winter/early spring.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Hydrangea arborescens 'Invincibelle Ruby'	Smooth Hydrangea	Part shade	Ruby Red and Silvery Pink	2' to 3' tall
New Rich, moist, well-drained soil.		3 to 9	ESU-EF	2' to 3' wide
The first red-flowered Hydrangea arborescens! The dark burgundy-red flower buds open to a two-toned combination of bright ruby red and silvery pink. The foliage is extra dark and the stems are strong, making this new hydrangea a gem in the garden. It is a strong rebloomer - blooms on new wood and repeats bloom through the summer.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Hydrangea arborescens 'Invincibelle Spirit II'	Smooth Hydrangea	Part shade	Pink	3' to 4' tall
New Rich, moist, well-drained soil.		3 to 9	MSU to W	5' to 6' wide
A better pink 'Annabelle' type hydrangea. This new and improved Invincibelle Spirit hydrangea delivers on all counts. It has darker foliage, stiffer stems, and larger flowers that are a richer pink. The blooms age to an attractive green. Blooms every year from mid-summer to frost, it is a strong rebloomer! \$1 from each Invincible Spirit II sold is donated to the Breast Cancer Research Foundation.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Hydrangea macrophylla 'Endless Summer'	Mophead; Bigleaf Hydrangea	Part shade	Blue or pink	3'-5' tall
Rich, moist, well-drained soil.		4	LSP-SU	3'-5' wide
This cold hardy hydrangea has great appeal because of the large mophead flowers that begin to bloom in spring and will repeat through fall if the spent flowers are cut off. Eight inch diameter blooms are clear pink in alkaline soil or blue in acidic soil. It has displayed uncommon cold tolerance in the rigors of Minnesota's zone 4 winters! Unlike nearly all other mophead hydrangeas, 'Endless Summer' blooms on new and old wood (most bloom on only old wood). If you're tired of not having gorgeous hydrangea blooms, then plant 'Endless Summer'! Zone 4. 3' to 5' tall and wide.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Hydrangea macrophylla 'Endless Summer Bloomstruck'	Bigleaf Hydrangea	Part shade	Vivid purple or rose-pink	3'-4' tall
Rich, moist, well-drained soil.		4 to 9	ESU-EF	3'-5' wide
This showstopper explodes with Mophead blooms covering rounded, compact plants. Large, 3 1/2" to 5" wide blooms mature to shades of purple or rosy red (depending on soil pH) extending the display into fall, with the autumnal burgundy-red foliage adding to the show. Flowering occurs on both old wood and new growth, assuring flowers even after a severe winter. BloomStruck also has incredibly beautiful red-purple stems, dark green leaves with red petioles and red veins, which give great contrast to your other garden shrubs, perennials and annuals.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Hydrangea macrophylla 'LA Dreamin'

Bigleaf Hydrangea

Part to full shade

Pink and blue

1'-3' tall

Rich, moist, well-drained soil.

5 to 10

ESU-F

3' wide

'Lindsey Ann' Hydrangea is the best of both worlds, a macrophylla that is multicolored and blooms on new and old wood! It blooms all season with blooms that are potentially both pink and blue, and all shades in between on the same plant! Multicolored blooms are not the only special feature of this shrub, it is a very reliable bloomer from both its old and new wood. Now, winter's chill is no match for this hardy variety. This compact shrub can find its home in large gardens, small gardens, landscape, and also makes a great selection for container shrubs (would need winter protection when planted in a container). As the plant matures, you are more likely to see multiple colors. If your soil is strongly acidic or alkaline, you may get just blue or just pink blooms.

This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Hydrangea macrophylla 'Let's Dance Blue Jangles'

Bigleaf Hydrangea

Part shade

Pink or blue

2'-3' tall

Rich, moist, well-drained soil.

5 to 9

MSU-LSU

2'-3' wide

Mophead blooms are very reliable and are held up by its sturdy frame. It is going to be naturally pink, but at 3 years and later, the soil can be amended with aluminum sulfate and the blooms will then be rich blue. The frilly florets are tightly packed together, creating a very full flower. Blooms on both old and new wood.

This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Hydrangea macrophylla 'Let's Dance Rave'

Bigleaf Hydrangea

Part to full shade

Violet-purple or saturated pink

2' to 3' tall

New Rich, moist, well-drained soil.

5 to 9

ESP to LSU

3' to 4' wide

A strong, reliable bloomer with an abundance of intensely colored, unique jewel-toned, mophead blooms. Flowers color ranges from a rich violet-purple color on acidic soils to a saturated pink on basic soils. A strong rebloomer with a compact habit; blooms early to late summer.

This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Hydrangea macrophylla 'Let's Dance Rhapsody Blue'

Bigleaf Hydrangea

Part shade

Bright pink to blue

2'-3' tall

Rich, moist, well-drained soil.

5 to 9

MSU-LSU

2'-3' wide

It is truly one of the easiest to turn blue. It is naturally pink, but with a little acid, it will easily turn blue. The frilly florets are tightly packed together, creating a very full flower. Blooms on both old and new wood. Is a very reliable bloomer and has sturdy stems for a nice upright habit. Great cutflower, or dried flower.

This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Hydrangea macrophylla 'Let's Dance Starlight'

Bigleaf Hydrangea

Part to full shade

Vivid pink or blue

2'-3' tall

Rich, moist, well-drained soil.

5

MSU-LSU

3' wide

The first ever new wood blooming lacecap! It's hardy, dependable, and colorful. The massive lacecap blooms are vivid pink or blue (depending upon pH) atop strong stems. The Let's Dance series blooms on both new and old wood, delivery seasons of flowers and lots of wow!

Hydrangea paniculata 'Vanilla Strawberry' ('Renhy')	Panicled Hydrangea	Part to full shade	Vanilla and strawberry	6'-7' tall
Rich, moist, well-drained soil.		4 to 8	MSU-EF	4'-5' wide
A delicious new creation from France. The enormous flower panicles are a blend of creamy vanilla and strawberry, held upright on red stems. They emerge creamy white in mid summer, change to pink, and finally to strawberry red. New blooms give the plant a multicolored effect in late summer and early fall. The red coloration persists for at least 3 to 4 weeks. The habit is upright becoming cascading later in the season. Compared to H. 'Pinky Winky', however the habit is more upright and the red flower color persists longer. Excellent for fresh cut and dried flower arrangements. Medium green foliage. Shrub- Shade

Hydrangea serrata 'Tuff Stuff Red'	Mountain Hydrangea	Part shade	Dark red and Magenta-pink	2' to 3' tall
New Rich, moist, well-drained soil.		5 to 9	ESU to F	2' to 3' wide
A new color for the Tuff Stuff! This lacecap is a stunning new selection of Mountain Hydrangea offering almost nonstop blooms from early summer right through fall! Not so much "reblooming" as "everblooming", it is a consistent performer, thanks to flowering on both old and new wood. You really have to see Tuff Stuff to believe its flower power. The blooms are semi to full double, held in the gorgeous lacecap pattern of tiny fertile flowers (dark red) in a cluster surrounded by larger, sterile florets (magenta-pink). They begin in early summer with a big, heavy show, then continue steadily but less floriferously through the worst summer heat and all fall long.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Kerria japonica 'Pleniflora'	Double Flowered Kerria	Full sun to Full shade	Gold	4'-5' tall
Rich, moist, well-drained soil.		5 to 9	SP & SU	8'-10' wide
This rugged heirloom shrub glows with fluffy golden pompon-like flowers in the spring, and sometimes during the summer as well. Blooms happily in shady borders and perennial beds. Handsome bright green foliage. Attractive bright Kelly green winter stems provide refreshing winter interest. Vigorous grower to 4' to 5' tall, 8' to 10' wide.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Rhododendron 'Bubblegum'	Rhododendron	Part to full shade	Bubblegum pink	3'-4' tall
New Rich, moist, well-drained, acidic soil.		5 to 8	SP	3'-4' wide
Trusses of bubblegum pink, lightly scented flowers explode in spring, offset by showy reddish stems and a dense backdrop of small deep green leaves that turn bronze over the winter months. A low, compact evergreen that is a perfect foreground for larger flower shrubs. Moderate growing.			Rhododendrons are not warrantied.	
Rhododendron 'Cunningham's White'	Rhododendron	Part to full shade	White	4' tall
Rich, moist, well-drained, acidic soil.		5	LSP	4' wide
Showy white flowers with a greenish blotch open from pink buds. The flowers are a beautiful contrast to the dark green leaves. Moderate growing.			Rhododendrons are not warrantied.

Shrub- Sun					
Callicarpa 'Pearl Glam'	Beautyberry	Full sun	White	4'-5' tall	
New Rich, well-drained soil.		5 to 8	SP-F	4'-5' wide	
Pearl Glam offers bold color from summer to autumn. Most beautyberries are planted just for their striking, deep purple berries that offer tons of fall color, but this variety offers that and so much more! The vibrant berries are backed by deep purple foliage, adding extra dimension and color to this shrub. White flowers are backed by deep purple foliage, and are accompanied by the classic bright purple berries in fall. It's unusual for Callicarpa to boast blooms and berries at the same time, so this shrub really is one-of-a-kind! Does not require pruning, but if desired, it may be pruned in spring.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Callicarpa 'Purple Pearls'	Beautyberry	Full sun	Pink	4'-5' tall	
Rich, well-drained soil.		6 to 8	ESU	4'-5' wide	
A hybrid, resulting from a cross between Callicarpa dichotema x kwantungensis. Its green foliage is tinged with purple in spring and summer. When the temperature drops in fall, the purple becomes much more pronounced in the foliage. Large violet-purple berries cover the plant in autumn, and remain attractive for many weeks. The branches of berries make lovely indoor decor as centerpieces and additions to bouquets! Vigorous plants have a nice upright habit.			This shrub is not warranted.		
Chaenomeles 'Cameo'	Flowering Quince	Part to full sun	Peachy pink	3'-5' tall	
Well-drained soil.		5	ESP	3'-5' wide

Shrub- Sun				
Lagerstroemia indica 'Cherry Dazzler'	Crape Myrtle	Full sun	Brilliant red	3'-5' tall
New Well-drained soil.		6 to 10	SU	3'-5' wide
The show begins with bronzy new leaves, maturing to dark green. In the summer, masses of brilliant red flowers cover the plants. Fall brings on the showy red-purple foliage color. Compact habit and disease resistant foliage means easier care in shrub borders. Drought tolerant once established.			This shrub is not warrantied.	
Lagerstroemia indica 'Double Feature'	Crape Myrtle	Full sun	Ruby red	6'-8' tall
Well-drained soil.		6 to 9	SU	6'-8' wide
'Double Feature' has a unique phenomenon where it continues to rebloom on same panicle, without requiring new growth of a new shoot. Sterile, ruby red flowers and exceptionally early flower production. Unique growth habit and size, larger than true dwarf cultivars, but not likely to exceed 6 to 8 feet tall and wide after many years.			This shrub is not warrantied.	
Lagerstroemia indica 'Enduring Summer Lavender'	Crape Myrtle	Full sun	Deep scarlet-red	4'-5' tall
Well-drained soil.		6 to 9	SU-F	4'-5' wide

This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Syringa 'Scent and Sensibility Pink'	Lilac	Full sun	Lilac-pink		2'-3' tall
Rich, well-drained soil.		3 to 7	SP-SU		4'-5' wide
A sweet delight for spring gardens! Copious dark pink buds open to beautiful lilac-pink flowers, which give off a delightful fragrance in the spring. Has a compact, mounding habit that is wider than it is tall. Although 'Scent and Sensibility Pink' does not have as strong of a rebloom as the 'Bloomerang' lilacs, it will repeat flower through the summer.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Syringa vulgaris 'Sensation'	French hybrid Lilac	Full sun	Purplish red and white		10' tall

Viburnum bracteatum 'All That Glitters'	Naked Witherod	Full sun	White		4'-5' tall
Moist, well-drained soil.		5 to 8	ESU		4'-5' wide
Glistening bright green foliage catches the light beautifully! Beautiful white flowers appear in early summer, followed by red fruit. Much smaller than the typical native V. bracteatum, making it a nice size for the residential landscape. Plant near Viburnum 'All that Glows' for the best fruit set.				This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Viburnum bracteatum 'All That Glows'	Naked Witherod	Full sun	White		4'-6' tall
Moist, well-drained soil.		5 to 8	ESU		4'-6' wide
Very glossy bright green, dense foliage glistens in the sunlight! Large white flowers in early summer are followed by red and purple fruit. About half the size of a typical V. bracteatum, this variety has an attractive dense habit and very glossy foliage. The fruit size and set is quite large, especially for such a small plant. Plant near Viburnum 'All That Glitters' for best production of blue fruit in late summer and fall.				This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Viburnum dentatum 'Blue Muffin'	Arrowwood Viburnum	Part to full sun	White		5'-7' tall
Moist, well-drained soil.		3	SP		5'-7' wide
This compact beauty has loads of white spring flowers, followed by an impressive display of clusters of rich indigo-blue berries in late summer and fall. Will produce some berries if not cross pollinated with another variety of V. dentatum (such as 'Chicago Lustre'), but it will produce many more berries if planted near and pollinated by another distinct variety of V. dentatum (such as 'Chicago Lustre'). Somewhat glossy, serrated foliage is attractive all season, coloring a rich burgundy in autumn. Makes a great low hedge or foundation plant.				This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Viburnum dentatum 'Chicago Lustre'	Arrowwood Viburnum	Part to full sun	Creamy white		10'-12' tall in ten years
Moist, well-drained soil.		5	ESP		8'-10' wide in ten years
An outstanding selection with an upright-rounded habit and glossy dark green foliage. Creamy white flowers appear in early summer, followed by ornamental clusters of blue-black fruit in the fall. Extremely wet sites should be avoided. Fast growing.				This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! Shrub- Sun					
Viburnum nudum 'Brandywine'		Part to full sun	White	5'-6' tall	
Moist, well-drained soil.		5	ESU	5' wide	
Experience the most beautiful berry display in the plant kingdom with this exciting Viburnum! It delivers loads of breathtaking berries that transform from green to shades of vivid pink and blue. White flowers in early summer. A great companion for V. 'Winterthur' because planting two distinct clones (of the same species) in close proximity results in bumper crops of berries. Showy glossy leaves change to incredible dark maroon-red in the fall.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Viburnum nudum 'Winterthur'	Winterthur Smooth Viburnum; Smooth Witherod Viburnum	Part to full sun	Creamy white	5'-6' tall	
Moist, well-drained soil.		5 to 9	LSP-ESU	4'-6' wide	
A striking, dense, and compact shrub, this improved selection has very shiny, waxy deep green foliage that turns to the most breath-taking wine-red color in autumn. Large, flat-topped clusters of tiny creamy white flowers in late spring and early summer are followed by autumn fruit clusters ranging from white to pink-red to bright blue-black- all colors are often present in the same fruiting cluster. Forms a compact, rounded shape. Perfect accent for the mixed border or background for annuals and perennials. Dislikes alkaline soils. Moderate grower to 6' to 8' tall, 5' to 6' wide.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Viburnum opulus 'Roseum'	Eastern Snowball	Part to full sun	Pure white	8'-12' tall	
Moist, well-drained soil.		3	LSP	10'-15' wide	
Numerous clusters of large pure white snowball-like flowers cover this shrub in late spring. Bright green foliage with reddish overtones in the fall.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Vitex agnus-castus 'Abbeville Blue'	Chaste Tree; Monks Pepper Tree	Full sun	Clear blue	4'-10' tall	
Well-drained soil.		5 or 6	MSU-LSU	4'-6' wide	
Bold 12"-18" long fragrant, clear blue flower spikes appear in mid to late summer. Cut back hard in early spring, to about 6" tall. Late to break bud in the spring.			This shrub is not warrantied.		
Vitex 'Blue Diddley'	Chaste Tree	Full sun	Lavender-blue	3'-6' tall	
Well-drained soil.		5 to 9	MSU	3'-6' wide	
This dwarf chaste-tree is a fun little ball with large, 10"-12" long spikes of lavender-blue fragrant flowers in mid-summer. The flowers contrast beautifully with the dark green star shaped foliage. The beautiful blooms of Blue Diddley attract butterflies, hummingbirds, and honey bees. Drought tolerant, it prefers a full sun location and its compact size fits nicely into perennial gardens and mixed borders, or is small enough for patio containers. Prune to near ground level in early spring.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Weigela florida 'Fine Wine'	Weigela	Part to full sun	Bright pink	2' tall	
Rich, moist, well-drained soil.		4	MSP-ESU	2'-3' wide	
This is the next generation of 'Wine & Roses' with the same great dark burgundy foliage, but with a compact mounded habit similar to Spirea japonica. It is a refined plant with smaller leaves, abundant bright pink, 1" to 2" long trumpet-like flowers and excellent texture. A great plant for the front of the border, the perennial bed, or used as a low foundation plant. The foliage will be more purple in full sun; in less sun, the foliage will turn more green.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Weigela florida 'Spilled Wine'	Weigela	Part to full sun	Hot pink-magenta	2' tall	
Rich, moist, well-drained soil.		4 to 8	SP-ESU	3' wide	
Dark purple-red, wavy leaves, and a spreading habit. Its hot pink-magenta flowers are similar to those of 'Wine & Roses', but this is a smaller plant that is wider than it is tall. Perfect for filling in spaces in a sunny border.			This shrub has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.

Tree- Shade					
Acer palmatum 'Sango-kaku'	Japanese Maple; Coral Bark	Part shade			15'-20' tall
Rich, moist, well-drained soil.		5 to 8			15'-20' wide
Coral Bark Maple. Beautiful deeply cut light green leaves display attractive red margins. Golden fall color. Brilliant coral bark on young branches intensifies in the winter. Plant in a protected area out of the hot summer sun and winds. Plant in filtered sun or partial shade areas. Mulch the root system heavily.			Japanese Maples are not warranted.		
Cornus 'Constellation' (x 'Rutcan')	Dogwood	Part to full shade	Snow white		20'-25' tall
Rich, moist, very well-drained soil.		5 to 8	SP		20'-25' wide
Snow white, star-like flower bracts are large, elongated, and non-overlapping. Blooms in late spring. Sterile, ensuring a clean landscape and an annual bloom. Green foliage turns vivid scarlet in the fall. Vigorous tree with high disease and borer resistance. Zone 5 or 6. Moderate growing with an upright spreading habit to 20' to 25' tall and wide.			This tree is not warranted.		
Cornus florida 'Prairie Pink'	Flowering Dogwood	Part shade	Soft pink		20' tall
New Rich, moist, very well-drained soil.		6	SP		20' wide
Soft pink flowers cover the tree in spring and give way to thick, glossy green leaves that resist the tough climate of the Plains. Selected at Kansas State University as a top performer for the heat of Kansas. Foliage turns orange-red to purple-red in the fall. Has an upright spreading, rounded crown.			This tree is not warranted.		
Cornus kousa 'Heart Throb'	Flowering Dogwood	Part shade	Reddish to rose-pink		20' tall
New Rich, moist, very well-drained soil.		5	SP		20' wide
Large reddish to rose-pink flowers will steal your heart as they unfurl in the spring. Formed by bracts and reaching up to 4" in diameter, the flowers last for weeks, especially if the temperatures are cool. Attractive dark green foliage turns deep red in the fall, when red fruits of about 3/4" diameter also provide seasonal interest.			This tree is not warranted.		
Cornus kousa 'Satomi'	Chinese Dogwood	Part shade	Pink		15'-20' tall
Rich, moist, very well-drained soil.		5	SP		12'-15' wide
Attractive horizontal tiers of branches help make this small deciduous tree popular. Splendid large pink bracts in spring are followed in fall by hanging red fruit. Bluish green leaves take on attractive brick red tints in the fall. Peeling gray bark adds an interesting texture! Prefers rich, moist, well-drained acidic soil, sited out of the hot summer sun & wind.			This tree is not warranted.		
Cornus 'Stellar Pink' (C. x 'Rutgan')	Dogwood	Part to full shade	Soft shell pink		20'-25' tall
Rich, moist, very well-drained soil.		6	ESP		20'-25' wide
In late spring, large and slightly overlapping flower bracts are tinted a delicate shade of soft pink. Clean and disease resistant green foliage turns bright orange-red in the fall.			This tree is not warranted.		

Tree- Sun			
Acer freemanii 'Autumn Blaze'	Amur Maple	Full sun	50' tall
Rich, moist, well-drained soil.		3	40' wide
This hybrid between Red and Silver Maples combines the best features of both parents; the drought tolerance of the Silver Maple and the fall color of the Red Maple. Green foliage turns a long lasting brilliant orange-red in the fall. Upright branching, broadly oval habit.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Acer ginnala- Multi Stem form	Amur Maple	Part to full sun	15'-20' tall
Rich, moist, well-drained soil.		3	15' wide
Deeply cut dark green foliage turns an extremely attractive red and orange color in the fall. Fragrant yellow blossoms in the spring. Moderate grower. Multi-stem trunk.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Acer ginnala- Tree form	Amur Maple	Part to full sun	15'-20' tall
Rich, moist, well-drained soil.		3	15' wide
Deeply cut dark green foliage turns an extremely attractive red and orange color in the fall. Fragrant yellow blossoms in the spring. Moderate grower. Acer rubrum 'Redpointe' ('Frank Jr.)	Red Maple	Part to full sun	45' tall
Rich, moist, well-drained soil.		5	30' wide
Brilliant red fall color plus an upright, broadly pyramidal form make this a standout. The refined form and foliage of the best Acer rubrum cultivars combine with the faster growth rate normally found in Acer x freemanii. A straight and dominant central leader results in strong branch angles that make it easier to grow. Dark green foliage turns bright red in the fall.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Acer saccharum 'John Pair'	Sugar Maple	Full sun	30' tall
Rich, moist, well-drained soil.		5	30' wide
Symmetrical and rounded in form, this heat resistant Sugar Maple of small stature is at home in the southern plains. Selected by the late Dr. John Pair of Kansas State University, from the heat resistant Caddo County, Oklahoma seed source. Its glossy green foliage stands up to summer heat. Red fall color. Rounded shape.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Acer saccharum 'Oregon Trail'	Sugar Maple	Full sun	45' tall
Rich, moist, well-drained soil.		5	40' wide
A tree with a story, this cultivar was chosen from hundreds of brightly colored sugar maples planted in Hiawatha, KS, "The City of Beautiful Maples." It's a tough Kansas native growing along the Oregon Trail, with strong branch structure, prairie resistant foliage, and great fall color. The dark green leaves turn orange-red to red in the fall. Broadly oval to rounded shape.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Acer saccharum var. caddo 'Flashfire'	Caddo Sugar Maple	Full sun	45' tall
Rich, moist, well-drained soil.		4	40' wide
A selected Caddo Sugar Maple seedling with brilliant red fall color. The leaves are early to change color in the fall. Possibly the brightest red Caddo Maple! Dark, thick green leaves give it the great summer heat tolerance typical of Caddo Sugar Maple. Strong growing, with good mildew resistance. Has a broadly oval shape.		This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	

Tree- Sun					
Acer truncatum x platanoides 'Crimson Sunset'		Part to full sun		35' tall	
Rich, moist, well-drained soil.		5 to 7		25' wide	
Heat tolerance is the distinguishing characteristic of this Acer truncatum hybrid. Its foliage resembles that of A. 'Crimson King', but its form is more upright and compact. Thanks to the Acer truncatum parentage, it flourishes in the summer heat where the purple leaved Acer platanoides fails to thrive. Deep purple summer foliage turns maroon to reddish bronze in the fall.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Albizia julibrissin 'Ombrella'	Mimosa Tree	Full sun	Cherry pink	30' tall	
Lean, well-drained soil.		6 to 9	SU	30' wide	
An exotic looking colorful landscape tree attractive to birds with its large, cherry-pink, powder-puff, fragrant flowers that appear profusely-even on young trees. Striking, multi-trunk tree with dark green fern-textured foliage.			This tree is not warrantied.		
Cercis canadensis- multi stem	Clump Redbud	Full sun	Rosy red	20'-30' tall	
Deep, rich, moist, well-drained soil.		4	ESP	25'-35' wide	
Rosy red flowers appear on bare branches. Showy yellow fall foliage. Rounded headed form. Moderate grower. Multi--stem trunk. Attracts butterflies!			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Cercis canadensis 'Rising Sun'	Eastern Redbud	Part to full sun	Rosy orchid	8'-12' tall	
Deep, rich, moist, well-drained soil.		5 to 9	ESP	8' wide	
The most brilliantly colored selection of the Eastern Redbud yet, this brand-new introduction offers spring foliage of deep apricot-orange, maturing to yellow and then speckled lime-green in summer, only to return to its rich golden tones for autumn. Coupled with abundant rosy-orchid blooms and vigorous yet compact growth, 'Rising Sun' is an absolute essential for the landscape. Before the tree leafs out in spring, abundant pea-like flowers of lavender-rose open all along the trunk and branches, remaining for several weeks. The foliage follows, heart-shaped and very richly colored. As the deep apricot of new growth matures through shades of orange, gold, and yellow, all colors are present at once on the tree -- a truly magnificent sight! When the hot weather of summer arrives, the foliage turns a handsome shade of lime-green. Very resistant to heat and burn, it looks good even in the dog days of August before burnishing rich golden-orange again for fall.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Cercis canadensis- single stem	Eastern Redbud	Full sun	Rosy red	20'-30' tall	
Deep, rich, moist, well-drained soil.		4	MSP	25'-35' wide	
Rosy red flowers appear on bare branches. Showy yellow fall foliage. Rounded headed form. Attracts butterflies!			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Ginkgo biloba 'Jade Butterfly'	Maidenhair Tree	Full sun		12'-15' tall	
Rich, well-drained soil.		4 to 9		10' wide	
A dwarf, vase-shaped male Ginkgo with bright green leaves and lovely gold fall color. Greenish-yellow flowers appear in mid-spring. Its slow growing, dense habit makes it a striking specimen.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		
Koelreuteria paniculata	Golden Rain Tree	Full sun	Bright yellow	20'-30' tall	
Well-drained soil.		5		25'-35' wide	
Long panicles of fragrant bright yellow flowers are followed by attractive, papery, lantern-like pink to red blushed seed pods. Open branched habit. Blue-green leaves turn yellow in the fall. Moderate growing.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.		

Tree- Sun

A beautiful large tree having unique bluish green leaves which turn a spectacular yellow in the fall. Handsome tulip-shaped greenish yellow and orange flowers in late spring. Attracts butterflies and hummingbirds! Fast growing.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Magnolia 'Jane'	Magnolia	Part to full sun	Reddish purple and white	10'-12' tall
Rich, moist, well-drained soil.		5	LSP	10'-12' wide
Tulip-like reddish purple flowers are white on the inside and appear in late spring, before the foliage on this deciduous Magnolia. Blooms just late enough to avoid the late season frosts, making it a reliable bloomer! Dark green, glossy foliage. Forms a broad, rounded multi-stem tree.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Magnolia loebneri 'Merrill'	Magnolia	Full sun		25' tall
Rich, moist, well-drained soil.		5		25' wide
Large star-like white flowers have a pleasing light fragrance. Fast growing.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Magnolia 'Rose Marie'- tree	Magnolia	Part to full sun	Bright pink	10'-12' tall
New Rich, moist, well-drained soil.		5 to 8	MSP-LSP	8' wide
This fantastic new hybrid is valued for its prolific, very late and long blooming habit. Frost-hardy buds open to large, exquisitely shaped, bright pink blooms with a lemon fragrance, providing a show for up to six weeks in spring, nearly four weeks after other varieties. Deep green late spring and summer foliage. Deciduous.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Magnolia soulangiana 'Black Tulip'- tree	Saucer Magnolia	Full sun	Deep burgundy	15'-20' tall
Rich, moist, well-drained soil.		5 to 9	ESP	6'-10' wide
Large, extremely deep burgundy 6" flowers with a unique 'tulip' shape and heavy texture open in early spring before the foliage appears. Slender, upright habit makes it an excellent small specimen tree. Its 4"x6" medium green leaves make a wonderful backdrop for shrubs. Quick to bloom as a young plant. Protect from strong winds.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Malus 'Royal Raindrops'	Crabapple	Full sun	Bright pinkish red	20' tall
Moist, well-drained soil.		4	MSP	15' wide
Bright pinkish red flowers combine with deep purple cutleaf foliage to present a stunning Crabtree! Excellent, upright, spreading form with great branching and density. The foliage turns orange-red in the fall. The midspring flowers are followed by an abundance of 1/4" wide, persistent red fruit. Excellent resistance to Scab and Cedar-Apple Rust; good resistance to Fireblight and Mildew.			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! For warranty details, please ask for a Tree & Shrub Warranty brochure at the checkout.	
Malus sargentii 'Tina'	Flowering Crabapple	Full sun	White	5' tall
Moist, well-drained soil.		4	LSP	6' wide
This most petite of all crabapples is grown as a top graft. The flowers, fruit, and leaves are all quite small. Bright red buds open to single white 1" flowers. One of the latest crabapples to bloom. Bright red 1/4" fruit. Medium green foliage. Excellent resistance to Scab, Fireblight, Cedar-Apple Rust, and Mildew!			This tree has a 1 year warranty OR a 5 year warranty with the purchase of MYKE tree & shrub (on the same receipt)! Quercus muehlenbergii (Chinkapin Oak)	Chinkapin Oak; Chinquapin Oak; Yellow Chestnut Oak	Full sun	Yellowish green	30'-60' tall	
Deep, rich, well-drained soil.		5 to 7	MSP	45'-70' wide	
A rarity among oaks- it is one of the more alkaline tolerant oaks. This handsome tree has large sharp-toothed leaves, 4" to 7" long, that are a lustrous dark green above with a white cast to the underside. The leaves turn yellow, orange, and brown in the fall. Open, rounded form. Native to the Eastern to central Midwest U.S. Easily grown in average, well-drained soils in full sun. Although it primarily grows in dry, rocky soils in the wild, it seems to prefer moist, rich loamy soils in cultivation. Relatively good drought tolerance. It may take up to 30 years for the tree its first crop of acorns. The small oval acorns, to 3/4" long, with scaly cups that extend to approximately half of the acorn length. A variety of wildlife eat the acorns. The leaves somewhat resemble the leaves of a chestnut (Castanea) whose nut is sometimes called a chinquapin, hence the common name of this oak, whose acorn is sweet and edible.
