

Rose Catalog 2016

Rose

Rose, Climbing 'Above All' own root	Salmon-orange	Moderate, floral vintage rose fragrance			SP-F
KSU Easy Care Rose	Full sun	3 1/2"-4" wide blooms	10'-14' tall	10' wide	

An improvement on the classic 'Westerland', with additional petals, more flowers per cluster, and a larger flower production! Salmony orange flowers have a nice fruity fragrance. Good winter hardiness and disease resistance.

Rose, Climbing 'Climbing Iceberg'	Cool white	Mild fragrance			LSP-SU
KSU Easy Care Rose	Full sun	3" wide blooms	8'-12' tall	3'-4' wide	

A rugged white climber with beautiful and mildly fragrant cool white blooms that open to large double roses. Truly vigorous and hardy, this rose will bloom throughout the summer on dark green foliage. Blooms on old wood. Recommended by K-State as an "Easy Care Rose".

Rose, Climbing 'Crimson Sky' own root	Fire engine red	Light apple fragrance			LSP-SU
KSU Easy Care Rose	Full sun	4"-4 1/2" wide blooms	8'-12' tall	4'-6' wide	

This fire engine red climber will make a vibrant statement in the garden. Its abundant flowers do not fade. The large double flowers have a light apple fragrance. Dark green foliage.

Rose, Climbing 'Don Juan'	Dark red	Heavy rose fragrance			ESU-F
KSU Easy Care Rose	Full sun	5" wide blooms	8'-10' tall	3'-5' wide	

Long pointed buds open to deep velvety red flowers. Blooms on new and old wood.

Rose, Climbing 'Dublin Bay'	Clear red	Moderate fruity fragrance			LSP-F
KSU Easy Care Rose	Full sun	3"-4" wide blooms	8'-10' tall	3'-5' wide	

Large, fully double clear, true red flowers will open in cool weather or in the heat. The flowers have a moderate fruity fragrance. Blooms on new and old wood. Recommended by K-State as an "Easy Care Rose".

Rose, Climbing 'Fourth of July'	Velvety red and bright white	Light fresh cut apple and sweet rose fragrance			LSP-SU
KSU Easy Care Rose	Full sun	2" wide blooms	8'-14' tall	3'-6' wide	

An explosion of eye-popping color for the landscape is just the beginning of the festivities ahead from this fragrant climber. You'll get a bang out of the big sprays of long-lasting, 2" wide, semi-double blossoms with yellow stamens. Each flower is unique with its velvety red background irregularly striped with bright white. The flowers have a light fragrance of fresh cut apple and sweet rose! And the fireworks just seem to keep coming because it blooms and reblooms readily in the very first year! Remove spent blossoms to encourage the best rebloom. Blooms on old and new wood. Glossy deep green foliage, superb vigor, and good hardiness complete the picture.

Rose, Climbing 'Garden Sun'	Apricot-orange	Slight fragrance			LSP-SU
KSU Easy Care Rose	Full sun	3"-4" wide blooms	10'-12' tall	4'-6' wide	

A superb rose with great disease resistance and wonderful winter hardiness. A very prolific bloomer, with slightly fragrant, bright blooms that hold well in the heat as well as in the vase. Glossy, medium green foliage.

Rose, Climbing 'Joseph's Coat'	Red-orange to yellow-orange	Strong fruity fragrance			SP-F
KSU Easy Care Rose	Full sun	4" wide blooms	8'-12' tall	6' wide	

Among the most popular climbing roses, 'Joseph's Coat', produces a continuous kaleidoscope of red-orange, yellow, carmine, and yellow-orange fragrant blooms for cutting. A natural climber that is best used on fences or arbors. Blooms on new and old wood (prune yearly to promote new growth).

Rose

Rose, Climbing 'Raspberry Cream Twirl' own root	Deep pink and white	Light green apple fragrance		LSP-EF
NEW	Full sun	3 1/2" wide blooms	10'-12' tall	4'-5' wide

This is the first striped climber with a classic rose exhibition-type flower that is deep pink, splashed and striped with cool white. The exquisite blooms are large, very full, and cup-like. The foliage is very glossy, dark green, dense, and leathery. It is also one of the first striped climbers to have better than average disease resistance. The striping is very consistent and can be noticed even from a distance. The 3 1/2" wide flowers have a slight green apple scent, and bloom from late spring to early fall.

Rose, Climbing 'Zephirine Drouhin'	Deep rose	Strong raspberry fragrance		ESU-F
	Part to full sun	3½"-4" wide blooms	6'-12' tall	3'-5' wide

Large flowers on nearly thornless stems throughout the season. From 1868.

Rose, English 'Boscobel'	Rich salmon-pink	Medium-strong myrrh fragrance, with hints of elderflower, pear, and almond		SP-F
	Part to full sun	2"-3" in clusters wide blooms	3'-5' tall	2'-4' wide

Boscobel' bears beautifully formed flowers of rich salmon coloring. They commence as red buds which open at first to pretty cups, gradually developing into perfectly formed blooms of classic rosette formation. The numerous small petals are of varying shades, mingling to provide a most pleasing effect.

Rose, English 'Claire Austin' own root	Creamy white	Strong, myrrh with vanilla fragrance		LSP-EF
	Part to full sun	3 1/2" wide blooms	4 1/2'-8' tall	3' wide

Pretty pale lemon buds open to reveal large, 3 1/2" wide, creamy white, deeply cupped flowers. They have a strong myrrh fragrance. It forms an elegant, arching shrub with plentiful, medium-green foliage. A strong and particularly healthy variety. It can also be grown as a climbing rose. Named for David Austin's daughter, Claire.

Rose, English 'Darcey Bussell' own root	Rich crimson	Strong fruity with hints of green fragrance		LSP-F
	Part to full sun	4" wide blooms	3' tall	2' wide

One of the best red English Roses. When the flowers are young, their outer petals form a perfect ring around an inner cup; gradually opening out to form a perfect rosette. The color is a deep rich crimson that takes on a tinge of mauve just before the petals drop. The flowers have a pleasing, fruity fragrance with hints of green. Very healthy, compact, free-flowering plants.

Rose, English 'Gertrude Jekyll' own root	Deep pink	Powerful Damask rose fragrance		LSP-F
	Part to full sun	4"-5" wide blooms	6' tall	3' wide

Large, well-filled rosettes are a rich, deep warm pink. Repeat bloomer.

Rose, English 'Golden Celebration' own root	Golden yellow, striped pink	Strong fruity tea rose fragrance		LSP-F
	Part to full sun	5" wide blooms	5' tall	3' wide

Giant, cupped blooms of golden yellow, striped with pink. An enchanting, strong and delicious scent of tea, citrus, honey and strawberries. Superb garden performance. Dark green foliage. One of David Austin's favorite roses.

Rose, English 'Graham Thomas' own root	Rich pure yellow	Strong Tea Rose fragrance		LSP-F
	Part to full sun	3 1/2" wide blooms	4' tall	3'-5' wide

Large, unusually rich, pure yellow, cup-shaped flowers have a strong Tea fragrance. Vigorous and healthy plants. Benefits from summer pruning (after the initial flowering, cut back the stems by 18" to 2', leaving two or three leaves of the current season's growth on each stem. This helps to maintain a nice shrubby shape and encourage quicker repeat blooming). 'Graham Thomas' has been voted the World's Favorite Rose!

Rose

Rose, English 'Heathcliff'	Deep crimson	Tea rose with a mixture of old rose & cedar wood fragrance	LSP-F
	Part to full sun	4"-5" wide blooms 4' tall 4' wide	

It has large, fully double flowers of deep rosette shape. A healthy variety with a rather upright growth habit.

Rose, English 'Jubilee Celebration'	Pink with highlights of gold on the underside of the petals	Very strong fruity rose with hints of lemon and raspberry fragrance	LSP-F
	Part to full sun	3 1/2" wide blooms 4' tall 4' wide	

This rose was named in honor of Queen Elizabeth II's Golden Jubilee. Large, 3 1/2" wide, domed, lovely rich salmon-pink flowers with highlights of gold on the underside of the petals. The blooms are held well above the semi-glossy dark green foliage and are produced with exceptional freedom and continuity. Very strong fruity rose fragrance with hints of lemon and raspberry. Winner of several awards. We saw this rose at the David Austin rose garden in the United Kingdom in 2002, and are excited to finally get to offer this rose to you!

Rose, English 'Lady of Shalott'	Rich orange-red to salmon-pink	Strong apple, clove, and tea fragrance	LSP-EF
	Part to full sun	3" wide blooms 4' tall 3'-5' wide	

This highly disease resistant rose is an ideal rose for a new English Rose lover. The buds are a rich orange-red, changing to salmon-pink on the upper side of the petals with a golden yellow reverse. The chalice shaped, 3" wide flowers mean that the undersides of the petals are clearly seen, revealing glimpses of the deeper color in the heart of the bloom. The flowers have a strong apple, clove, and spice fragrance. Forms a large, bushy shrub with slightly arching stems. The leaves have slightly bronzed tones when young.

Rose, English 'Munstead Wood'	Light crimson to deep velvety crimson	Strong Old Rose, fruity fragrance	LSP-EF
	Part to full sun	3" wide blooms 3' tall 30" wide	

The flowers are a light crimson in the bud, but as the center gradually reveals itself, it becomes a very deep velvety crimson while the outer petals remain rather lighter in color. The flowers are of large size and cupped at first, becoming shallowly cupped with time. As the flower ages, we get glimpses of the stigma and stamens amongst the petals. The growth is quite bushy, forming a broad shrub with good disease resistance. The flowers have a strong Old Rose fragrance with a fruity note.

Rose, English 'Olivia Rose Austin'	Soft pink	Strong fruity fragrance	LSP-EF
NEW	Full sun	3 1/2" wide blooms 3 1/2' tall 3' wide	

This rose is named by David Austin, after his granddaughter, so it has to be something rather special! David Austin believes this is possibly the best rose that he has introduced to date! Its flowers are of beautiful Old Rose formation, commencing as prettily cupped buds and gradually opening to become shallowly cupped rosettes of 3 1/2" across, being attractive at all stages. The color is a lovely soft shade of pink and it has a strong, pleasing fragrance with distinct fruity tints. The growth is vigorous and it repeat-flowers well, from late spring until fall. Shiny, dark green, and disease resistant foliage. One of the most disease-resistant of all the David Austin English Roses.

Rose, English 'Pat Austin'	Copper	Strong Old Rose fragrance	LSP-F
NEW	Full sun	4" wide blooms 3 1/2'-4' tall 3' wide	

Rosette blossoms are bright copper inside with a pale copper-yellow outside. The 4" to 4 1/2" wide blooms are large and deeply cupped, the contrasting colors giving a most attractive effect. The flowers have a strong warm tea/clove fragrance. The blooms nod gracefully from the strong, elegantly arching growth, which is in proportion with the large flowers, showing them off to perfection. Repeat blooms from late spring to fall. Named after David Austin's late wife, who was an accomplished sculptress.

Rose, English 'The Poet's Wife'	Strong yellow	Rich with strong lemon fragrance	LSP-EF
NEW	Full sun	4 1/2" wide blooms 4' tall 3 1/2' wide	

A superb rose with 4 1/2" wide flowers of an unfading, strong yellow. In bloom from late spring until fall. Their formation is most pleasing, having a neat outer ring of petals enclosing an informal group of petals within. The flowers have a rich fragrance with strong lemon tints at first, becoming sweeter and stronger with age. Shiny, medium green foliage has excellent disease resistance. Low, naturally rounded growth habit, making it perfect towards the front of the border.

Rose					
Rose, Floribunda 'Angel Face'	Clear medium lavender blushes ruby	Strong citrus fragrance			ESU-LSU
	Full sun	4" wide blooms	4'-5' tall	3' wide	
Since its introduction in 1969, Angel Face has become a mainstay and highlight in many rose gardens because of its low, bushy habit, unusual color and strong fragrance. The double, well-formed blooms of clear, medium lavender flash blushes of ruby on their ruffled petal edges, at the same time perfuming the air with the scent of sweet citrus flowers. Leathery foliage is glossy dark green. The flowers are presented in large clusters and make good cuts, lasting for days in a vase.					
Rose, Floribunda 'Belinda's Dream' own root	Medium pink	Moderate fruity fragrance			LSP-F
KSU Easy Care Rose	Full sun	4"-5" wide blooms	2'-3' tall	3' wide	
Fully double, old-fashioned medium pink flowers atop very disease-resistant foliage; this rose thrives in hot, humid summers with no sign of black spot; moderate fruity fragrance. Recommended by K-State as an "Easy Care Rose".					
Rose, Floribunda 'Burgundy Iceberg' own root	Deep purple-red burgundy with cream reverse	Mild honey fragrance			ESU-MF
	Full sun	3"-4" wide blooms	3 1/2' tall	3 1/2' wide	
Performs exactly like its famous parent, 'Iceberg', in every way (except bloom color)- the same terrific flower production, bushy habit, showy clusters of lovely buds and flowers, glossy green foliage, and nearly thornless stems. The painted deep purple-red burgundy double 3" to 4" flowers with a creamy reverse seem to always be in bloom! The blooms will be darkest in cool weather. The flowers have a mild honey fragrance.					
Rose, Floribunda 'Chihuly'	Apricot-yellow, orange, and deep red	Mild tea fragrance			LSP-F
	Full sun	4"-5" wide blooms	2 1/2'-3' tall	3' wide	
Named after America's famous glass artist, Dale Chihuly, this rose has impeccable style and an ever-changing array of flashy colors. As the sun hits the opening petals, they blush from subtly-striped apricot-yellow to dazzling orange and deep red, producing a remarkable display against the deep, dark green leaves and mahogany-red new growth. The flowers have a mild tea fragrance					
Rose, Floribunda 'Colorific'	Salmon and scarlet	Mild fruity fragrance			SP-F
	Full sun	5" wide blooms	4'-4 1/2' tall	3'-4' wide	
A showstopper for sure! Big pointed buds swirl open to show off seductive shades of peach, coral, and salmon. But the color display doesn't stop there. The sun "suntans" each petal... blushing them into deeper tones of orange, scarlet, and burgundy. Long, strong stems make it a great addition to any cutting garden. And, the clean deep green, glossy leaves are lovely in the landscape, too. Flowerful, colorful, and wonderful- all wrapped up in one nifty rose.					
Rose, Floribunda 'Day Breaker'	Yellow, apricot, and pink blend	Moderate tea rose fragrance			ESU-F
	Full sun	4" wide blooms	4'-5' tall	3' wide	
Multi-pastel-colored blooms open non-stop throughout the season, providing plenty of 4" wide blooms for season-long bouquets. Petite clusters open yellow, then mature to an apricot and pink blend. The flowers have a moderate tea rose fragrance. The glossy dark green foliage has superb disease resistance.					
Rose, Floribunda 'Distant Drums'	Bronzy washing to orchid-pink and lavender	Moderate myrrh fragrance			LSP-EF
KSU Easy Care Rose	Full sun	3"-4" wide blooms	3'-4' tall	3' wide	
This hardy, vigorous shrub, nicely clothed in dark green, disease resistant foliage, can take the weather and produces an outstanding floral display. Fully double, cupped, 3" to 4" wide blooms are an unusual, difficult-to-describe color. The bronzy centers with outer orchid-pink petals that shade to lavender at the edges. Each stem holds its own bouquet of big, ruffled flowers. This rare beauty has a heady, myrrh fragrance. One of Griffith Buck's best introductions.					

Rose

Rose, Floribunda 'Doris Day'	Rich yellow	Light fruity fragrance		SP-F
	Full sun	4"-6" wide blooms	3'-4' tall	3'-4' wide

Just like its namesake, this rose has got "star quality" for certain! Clusters of bright golden yellow blooms shine like beacons in the landscape, beckoning you to draw near for a close-up look and smell! No need to get too close, though- the strong fruity fragrance that wafts from the gently ruffled blooms can be admired even from a distance. Deep green, disease resistant foliage covers the rounded bushes and provides the perfect backdrop for the 4" to 6" wide cheery blooms.

Rose, Floribunda 'Drop Dead Red'	Pure, deep red	Mild Tea fragrance		LSP-F
	Full sun	4"-6" wide blooms	4'-5' tall	24"-30" wide

So velvety, so intense, just a jaw-droppingly delicious red, especially set against the highly glossed deep green leaves that mirror the flowers. The flowers hold their alluring red color from start to finish. The flowers have a mild Tea fragrance. Best flower size in cooler temperatures.

Rose, Floribunda 'Easy Does It'	Peach-pink blend	Moderate fruity fragrance		LSP-F
	Full sun	3 1/2" wide blooms	3'-4' tall	3'-4' wide

As its name implies, 'Easy Does It' is one of the simplest roses to grow! This breathtaking new creation from the world-famous Harkness family in England abounds in enormous clusters of mango-orange, peach, pink, and honey yellow blossoms that cover the plant the entire season! The 3 1/2" wide flowers have a moderate fruity fragrance. The petals have a unique, irregular edge, which adds to the appeal! Glossy dark green foliage. As the only AARS winner in the 2010 trials, this beauty is a proven performer across the country, in a variety of climates and conditions.

Rose, Floribunda 'Easy Going'	Golden peachy yellow	Moderate fruity fragrance		SP-F
KSU Easy Care Rose	Full sun	4"-4 1/2" wide blooms	3'-4' tall	3'-4' wide

If you thought life was good when 'Livin' Easy' came along, you'll need to buy an extra hammock to deal with 'Easy Going'. It's just like "mom" in every way, except color... same glossy green foliage, same great flower power, same busy habit, same great disease resistance. But, with brighter green foliage and a delectable peachy golden yellow color that holds to the very end. Scrumptious! Recommended by K-State as an "Easy Care Rose".

Rose, Floribunda 'Ebb Tide'	Smoky deep plum-purple	Strong spicy clove fragrance		SP-F
	Full sun	3 1/2" wide blooms	30" tall	30" wide

Dusky deep purple buds swirl open to very double, 3 1/2" wide, old-fashioned flowers of velvety plum, washed with a haze of sultry smoke. The intense spicy clove fragrance will nearly bowl you over!

Rose, Floribunda 'Fired Up' own root	Striped yellow & bright orange, finishing blood orange	No noticeable fragrance		LSP-F
	Full sun	2"-3" wide blooms	5' tall	3' wide

Very unique and striking color. The color does not fade in the heat or when finishing, and it reblooms well. Very good tolerance to rust and mildews.

Rose, Floribunda 'Judy Garland'	Chrome yellow blushing to hot orange and scarlet	Strong apple and rose fragrance		LSP-SU
	Full sun	2 1/2"-3" wide blooms	4'-5' tall	3'-3 1/2' wide

No need to look 'over the rainbow' when you can have this sweetly fragrant (strong apple and rose) rainbow in your own garden. A seemingly endless, dazzling display of clusters of 2 1/2" to 3" wide multicolored flowers of chrome yellow blushing to hot orange and scarlet. Glossy green leaves clothe the bushy, prolific blooming plants. The blush color can burn in strong stem.

Rose, Floribunda 'Julia Child' own root	Buttery golden yellow	Strong, sweet licorice and spice fragrance		SP-F
KSU Easy Care Rose	Full sun	3 1/2" wide blooms	3 1/2' tall	3' wide

3 1/2" buttery golden yellow flowers have a strong, sweet licorice and spice fragrance. Rounded, bushy, highly disease-resistant plants with super glossy green foliage. Recommended by K-State as an "Easy Care Rose".

Rose

Rose, Floribunda 'Jump for Joy'	Peachy pink	Mild apple fragrance			LSP-F
	Full sun	Up to 4" wide blooms	3'-4' tall	2'-3' wide	

Lusciously, lovely, delectable peachy-pink color. A sister seedling of 'Sparkle and Shine'. Large, showy clusters, long-lived lowers, with lovely color, round bushy super-flowerful habit, glossy green leaves and consistent dark red new growth.

Rose, Floribunda 'Ketchup & Mustard'	Ketchup red and mustard yellow	Mild fruity fragrance			LSP-SU
	Full sun	3 3/4" wide blooms	3'-4' tall	3'-4' wide	

Certain to become a condimental favorite.... slap a layer of the brightest red onto a backside of darkest yellow and set it atop the greenest, glossiest leaves. The 3 3/4" wide flowers hold on to their attention-getting tones to the very end... dropping from the well-behaved rounded plant just in time to welcome the next round of abundant blooms. The flowers have a mild fruity fragrance. Has its best flower size in cooler conditions. Bold and beautiful!

Rose, Floribunda 'Lava Flow'	Near black-red	Light fragrance			LSP-F
	Full sun	2"-2 1/2" wide blooms	3'-5' tall	2'-4' wide	

Large glowing clusters of deep velvety red seem to continually 'erupt' from a blanket of glossy green leaves creating a display that will warm your heart. Very long-lived ruffled flowers atop a well-behaved upright plant. A proven consistent performer.

Rose, Floribunda 'Livin' Easy' own root	Apricot-orange	Moderate fruity fragrance			ESU-F
KSU Easy Care Rose	Full sun	4"-5" wide blooms	30"-36" tall	3' wide	

The glossy green, black spot-resistant leaves are covered with scrumptious apricot-orange flowers that have a moderate fruity fragrance. Recommended by K-State as an "Easy Care Rose".

Rose, Floribunda 'Love Song'	Clear lavender	Mild citrus fragrance			LSP-EF
	Full sun	5" wide blooms	3'-4' tall	3' wide	

One look at these captivating clusters and you might burst into song! The long-lasting lavender blooms of old-fashioned, full and ruffled form are produced in abundance, nearly hiding the rich green leaves of the rounded plants. The bounteous blooms hold their enchanting color well, never turning to tones of somber gray. Though cooler temperatures may bring out the largest flowers (up to 5" wide), there are still plenty of other reasons to bring home this alluring beauty.

Rose, Floribunda 'Marmalade Skies'	Brilliant tangerine	Slight fragrance			LSP-EF
	Full sun	2 1/2"-3" wide blooms	4' tall	2'-3' wide	

Brilliant tangerine orange blooms cover this compact, everblooming, neat plant. 'Marmalade Skies' is ideal for low borders, or as a specimen in any landscape. The clusters of 2 1/2" to 3" wide blooms make a perfect one stemmed bouquet. Big classic clusters lend this winner to the landscape. The clear red-toned orange color lasts well throughout the life of the flower. Despite its airy name, you won't need to look skyward to see the abundance of clean medium green leaves. Vigorous and easy to grow.

Rose, Floribunda 'Oh My!'	Deep velvet red	Mild fragrance			LSP-EF
	Full sun	3 1/2" wide blooms	4'-5' tall	3'-4' wide	

For a lot of people, there's just no other color that says 'rose' than a velvety red. This is the red that Americans love- deep enough, velvety enough, bright enough, long-lasting enough- its just right. Better yet, that color comes in great clusters of ruffled, 3 1/2" wide blooms that really "pop" against the glossy, reddish green foliage with good disease resistance. The upright, bushy plants are grand enough to stand alone, but are also perfect for bold, flowering hedges or showy mass plantings. Cooler temperatures bring out the best flower form, but who needs form when you have that fantastic color?

Rose, Floribunda 'Orchid Romance'	Medium to dark pink with undertones of lavender	Strong citrus fragrance			ESU-EF
NEW	Full sun	3 1/2" wide blooms	4 12' tall	3' wide	

From the breeder of the ever-popular Knock Out Roses comes this vigorous Floribunda that produces 3 1/2" wide, powerfully fragrant, double flowers! Pass by this rose on a good day, and its strong citrus fragrance will take you somewhere special! The color ranges from medium to dark pink with undertones of lavender. Has semi-glossy, dark green foliage, that has excellent disease resistance. Sure to outperform other roses of its class with minimum care required.

Rose

Rose, Floribunda 'Shockwave'	Neon yellow	Mild fragrance			ESU-F
	Full sun	2 1/2"-3" wide blooms	30"-36" tall	3' wide	

Intensely yellow flowers atop bright, super glossy apple green leaves- an eye-blinking combination! The pure neon yellow flowers keep their searing yellow tones to the very end and have a mild fragrance.

Rose, Floribunda 'Sparkle & Shine' own root	Sparkling clear yellow	Moderate fruity fragrance			LSP-EF
	Full sun	3"-4" wide blooms	4' tall	3' wide	

Every so often, it's time to update a classic. Take the award winning 'Sun Flare', turn the color up a few notches, add improved disease resistance, and you get 'Sparkle & Shine'. These glistening yellow blooms shine like droplets of sun are living "bling" for the landscape. Abundant clusters of flashy, bright yellow, gently ruffled, 3" to 4" wide blooms emit a pleasant moderate fruity fragrance and hold their vibrant color until the very end. Rounded, bushy plants complete the package with handsome dark red new growth and extremely glossy green leaves with excellent disease resistance.

Rose, Floribunda 'Sunsprite'	Deep yellow	Strong sweet licorice fragrance			SP-F
KSU Easy Care Rose	Full sun	3" wide blooms	3'-4' tall	18"-24" wide	

Amongst the world's top ten roses, this is the only yellow... and for good reason. It has deep, lasting yellow color, strong, super sweet licorice fragrance, lots of glossy bright green leaves, an attractive bushy plant, and good disease resistance. Not a bad combination!! There always seems to be some color on this great rose!

Rose, Floribunda 'Trumpeter'	Brilliant scarlet-orange	Mild fragrance			LSP-EF
	Full sun	2 3/4" wide blooms	2'-3' tall	2' wide	

If you're looking for a bright red landscape addition, let this low-care rose-musician blow its horn. The brilliant scarlet-orange colors of the long-lasting, 2 3/4" wide ruffled blossoms blare out against the disease-resistant glossy green foliage. Naturally compact and bushy.

Rose, Floribunda 'Tuscan Sun'	Deep apricot-orange	Light, spicy fragrance			ESU-F
	Full sun	4" wide blooms	3 1/2' - 4' tall	3' wide	

The rich apricot buds of this exceptional rose open fully to high-centered, bronze-blushed apricot blooms, finishing in an unusual coppery pink. Blossoming in generous clusters on long, sturdy stems, these enduring spicy scented beauties are dazzling in bouquets. Upright, well-branched habit, glossy dark green foliage, and excellent disease resistance.

Rose, Floribunda 'Vavoom'	Orange-juice orange	Moderate spicy fragrance			ESU-MF
	Full sun	3 1/2" wide blooms	4' tall	3' wide	

Its bright orange juice tones might make your eyes pucker, their so bright! But, its sweet treat of glowing color lasts to the very end of every long-lived blossom. Put that gleaming orange against its deep mahogany new growth and glossy green leaves and you have a winner! The 3 1/2" flowers have a moderate spicy fragrance.

Rose, Floribunda 'White Licorice'	Lemon cream	Strong licorice and lemon blossom fragrance			SP-F
	Full sun	4" wide blooms	3'-4' tall	3'-4' wide	

Don't let the pastel hues fool you. This quiet color packs a powerful punch of unparalleled perfume... a strong, sweet licorice and lemon blossom aroma that will make you tingle with delight. A bouquet-making machine-of-a-plant with wonderfully formed buds that open into big wavy wonders set atop sturdy stems clothed with dark green leaves. Bushy and beautifully branched, the plant looks as good in the garden as the flowers do in a vase. The blooms will be more yellow in cool temperatures and more white in warm temperatures.

Rose, Flower Carpet 'Pink Supreme'	Pink and white	No fragrance			LSP-F
	Full sun	2"-2 1/4" wide blooms	2'-3' tall	3' wide	

Lovely semi-double bubble gum pink blooms are tinged with white; very long flowering; has a slightly larger bloom and a slightly more compact habit than the 'Pink' variety; grown on its own root.

Rose					
Rose, Flower Carpet 'Red'	Red	No fragrance			LSP-LF
	Full sun	2" wide blooms	2'-3' tall	3' wide	
Deep red semi-double blooms all summer long and into fall! A favorite in the display gardens here at the greenhouse; grown on its own root.					
Rose, Groundcover 'Apricot Drift' own root	Apricot-pink	None to mild fragrance			LSP-F
KSU Easy Care Rose	Part to full sun	3/4" wide blooms	18" tall	30" wide	
Exhibits a true groundcover habit. 3/4" wide double apricot colored flowers begin in spring and display a season-long show of color. Prolific, continuous season-long bloom, just like the others in the 'Drift' series. Glossy, dark green foliage. It is just as tough and disease-resistant as others in the 'Drift' series. Best suited for small gardens or along paths and walkways. None to mild fragrance.					
Rose, Groundcover 'Coral Drift' own root	Deep coral-orange	No fragrance			SP-F
KSU Easy Care Rose	Part to full sun	1 1/2" wide blooms	18" tall	3' wide	
A cross between full-size groundcover roses and miniature roses. 1 1/2" wide deep coral-orange flowers bloom from spring to frost. Rounded, bushy plants with glossy, dark green, healthy foliage. Disease-resistant plants. Recommended by K-State as an "Easy Care Rose".					
Rose, Groundcover 'Popcorn Drift' own root	Yellow to creamy white	No noticeable fragrance			LSP-EF
KSU Easy Care Rose	Full sun	3/4" wide blooms	18"-24" tall	2' wide	
Popcorn Drift is a mutation of the popular Peach Drift and represents a new color in the series. Beautiful 3/4" wide double flowers. The color starts out yellow and fades to cream white, sometimes suffused with light pink. The overall impression is yellow and cream; reminiscent of buttery popcorn.					
Rose, Groundcover 'Rainbow Happy Trails' own root	Golden yellow and pink	Fruity fragrance			SP-EF
NEW	Full sun	2 1/2" wide blooms	4" tall	3' wide	
Drenched with color from spring through frost, this true groundcover rose grows low and spreads fast! More than 10 years in development, the vigorous plant grows only 4" high, and spreads quickly to blanket the ground with dark green, glossy foliage and vibrant color. The season-long spectacle is nonstop: medium-sized clusters of 2 1/2" wide, fully double blooms repeat quickly, right through fall. Showy, cupped flowers are radiant golden yellow, each petal generously rimmed with a rosy pink color that remains bright until the petals drop. Use to decorate the front of borders or edge a pathway with eye-catching color, and let them trail from planters on the patio where their delightful fruity fragrance can be fully appreciated!					
Rose, Groundcover 'Red Drift' own root	Dark red	No fragrance			SP-F
KSU Easy Care Rose	Part to full sun	1/2" wide blooms	12"-15" tall	2'-3' wide	
A cross between full-size groundcover roses and miniature roses. Very small (1/2" wide) dark red flowers with occasional white streaks bloom from spring to frost. Rounded, extremely bushy plants with glossy, dark green, healthy foliage. The smallest grower in the series. Disease-resistant plants. Recommended by K-State as an "Easy Care Rose".					
Rose, Groundcover 'Red Ribbons'	Bright crimson	Light sweet fragrance			ESU-F
	Full sun	3"-3 1/2" wide blooms	2 1/4' tall	4' wide

Rose, Groundcover 'Sunshine Happy Trails' own root	Sunny yellow	Subtle fruity fragrance			SP-F
NEW	Full sun	3" wide blooms	4" tall	3'-4' wide	
Drenched with color from spring through frost, this true groundcover rose grows low and spreads fast! More than 10 years in development, the vigorous plant grows only 4" high, and spreads quickly to blanket the ground with dark green, glossy foliage and vibrant color. The season-long spectacle is nonstop: medium-sized clusters of 3" wide, cupped, fully double blooms sunny yellow repeat quickly, right through fall. Use to decorate the front of borders or edge a pathway with eye-catching color, and let them trail from planters on the patio, an your trails will be happy ones!					

Rose

Rose, Hybrid Tea & Grandiflora 'Anna's Promise'

Golden and pink

Light Tea Rose fragrance

SP-F

Full sun

3"-4" wide blooms

5'-6' tall

3'-4' wide

The unique color- golden tan with a pink blush and copper reverse, comes from its parent, 'About Face', but the blooms are larger with improved form, too! Bouquets of the 3"-4" wide flowers are perfect for the table, with a delicious fragrance reminiscent of grapefruit and fresh cut apples. The upright bushes have deep, glossy green foliage with good disease resistance and bloom prolifically throughout the season. The first release in the Downton Abbey series from Weeks Roses!

Rose, Hybrid Tea & Grandiflora 'Apricots n' Cream

Ivory to light apricot

Slight fragrance

LSP-F

NEW

Full sun

4" wide blooms

5'-5 1/2' tall

3' wide

A vigorous grower with a pastel flower color of ivory to light apricot that contrasts well with the excellent dark green and glossy foliage. Has much better disease resistance than the average Hybrid Tea Rose. Large, 1" ovoid buds open into lovely 4" wide blossoms which have a slight fragrance. The flowers have excellent Hybrid Tea form which somewhat surprising given that the plant more closely resembles a shrub than a Tea Rose. It will rebloom in flushes from late spring to fall.

Rose, Hybrid Tea & Grandiflora 'Barbra Streisand'

Rich lavender blushing darker

Strong, sweet fragrance

SP-F

Full sun

4 1/2" wide blooms

3'-5' tall

3'-4' wide

This impressive rose shares star qualities with the dynamic woman for whom it is named. The striking foliage and healthy habit of this rose command a dramatic stage presence, but it is the masses of deep lavender buds gradually opening into layers of lavender tones that will turn all eyes. The petals on the 4 1/2" wide blooms blush darker at the edges. It will only take one big shapely bloom to nearly overpower you with its strong, sweet fragrance.

Rose, Hybrid Tea & Grandiflora 'Big Momma'

Medium pink turning lighter towards the base of the petal

Strong roses and fruit fragrance

LSP-SU

Full sun

4" wide blooms

5 1/2' tall

'Big Momma' is a big, 4" wide, pink, very fragrant hybrid tea rose. It makes a nice cutting rose and has performed well on its own root trials. It has a high petal count and strong scent of roses and fruit.

Rose, Hybrid Tea & Grandiflora 'Black Baccara'

Blackish red

Very slight fragrance

ESU-EF

Full sun

3"-4" wide blooms

4'-5' tall

3'-4' wide

This spectacular blackish red Hybrid Tea is darker than any of the other "black" roses on the market so far. Originally bred for the florist trade, it produces a well-formed and long-lasting cutflower, with dramatic black-tinged burgundy-red petals boasting the texture of luxurious velvet. Gardeners who have grown this rose report that it has impressive disease resistance and vigor, and that the blooms increase in size as the plant matures. The 3" to 4" wide flowers last up to 2 weeks in a vase. The flowers have slight to no fragrance. Semi-glossy dark green foliage lines the long stems. Enjoy flushes of these beauties from early summer to early fall.

Rose, Hybrid Tea & Grandiflora 'Ch-Ching'

Clear, glowing yellow

Strong, sweet spice and fruit fragrance

LSP-F

Full sun

4 1/2"-5" wide blooms

4'-6' tall

3'-4' wide

You've hit the jackpot with this grandiflora rose! Super vigorous, bushy, clean plants flower like a weed and smell up a storm! The flower color is a clear, long-lasting, glowing yellow. The blossoms have a strong, sweet spice and fruit fragrance! Very deep red new shoots and dark green leaves set off the many showy clusters of blossoms!

Rose, Hybrid Tea & Grandiflora 'Cherry Parfait' own root

Vermillion, cream, and light yellow

Light, sweet fragrance

LSP-F

Full sun

4" wide blooms

3'-5' tall

3'-4' wide

A rose with a truly outstanding color and a nice rounded habit. Deliciously different coloring makes this winner a garden delight! Generous sprays of cream and yellow-colored blooms broadly edged in bright vermillion red hold their tantalizing color throughout the summer heat. The overall color is overwhelmingly red! This Grandiflora is always in bloom so it will be attractive all season long. The dense, glossy, dark green foliage makes a striking contrast to the light, sweetly fragrant, bicolor flowers.

Rose

Rose, Hybrid Tea & Grandiflora 'Chrysler Imperial'	Dark velvety red	Moderate fruity fragrance		SP-F
	Full sun	4"-5" wide blooms	3'-5' tall	2'-4' wide

This timeless classic is a perfect example of what a hybrid tea rose should be! Lovely, long pointed buds open to globular flowers of dark velvety red with a powerful rich rose fragrance. The 4" to 5" wide blooms have a strong citrus scent. Nicely shaped plants with semi-glossy foliage.

Rose, Hybrid Tea & Grandiflora 'Coretta Scott King'	White and coral-orange	Medium tea & spice fragrance		SP-F
	Full sun	4"-5" wide blooms	3'-5' tall	2'-3' wide

This graceful beauty is a delectable treat for the eyes. Reminiscent of a creamsicle treat, long, pointed buds spiral open to reveal creamy white blooms blushed with tropical tones of coral-orange. The upright bushy plants hold the long-lasting clusters of double blooms high, for all to see, in a continuous display of color of flower power. Her 'wrapper' of deep green is endowed with good disease resistance ensuring it stays clean and attractive all season long.

Rose, Hybrid Tea & Grandiflora 'Dark Night'	Dark velvety red, black red	Very slight fragrance		LSP-SU
	Full sun	4" wide blooms	5'- 5 1/2' tall	3-4' wide

'Dark Night's unique color and exhibition quality blooms will have rose aficionados clamoring for this distinctive rose. You don't have to be a rose expert to grow 'Dark Night', though, as it has natural toughness, above average disease resistance, and the ability to produce an abundance of blooms in all kinds of conditions. Its unique color is a dark, velvety red finishing black-red on the inside with a reverse of light yellow suffused with red. The large buds are high-centered, unfurling to form cup-like, 4" wide blooms. The foliage is dark green and very glossy. If you're on the lookout for something different, give this rose a try!

Rose, Hybrid Tea & Grandiflora 'Dee-lish'	Deep pink	Very strong fragrance of verbena & citrus fragrance		LSP-F
	Full sun	4" wide blooms	6 1/2' tall	3' wide

A tall Hybrid Tea rose with an old fashioned flower and a very strong fragrance. Large deep pink non-fading bloom. Excellent cutflower. A multiple award winner in Europe for disease resistance and aesthetics, and one of the first hybrid tea roses to win the prestigious ADR contest in Germany. Very dark buds spiral open to reveal old-fashioned, cupped and quartered blooms in exuberant shades of non-fading deep pink. Grown on own root.

Rose, Hybrid Tea & Grandiflora 'Double Delight'	Cream and crimson	Strong spicy-sweet fragrance		ESU-F
	Full sun	5 1/2" wide blooms	3'-4' tall	3'-4' wide

Large, unique blooms have creamy white petals widely edged in crimson.

Rose, Hybrid Tea & Grandiflora 'Dream Come True'	Yellow to ruby	Mild tea rose fragrance		LSP-F
	Full sun	4"-5" wide blooms	3'-5' tall	3'-4' wide

A 2008 AARS winner, awarded for its stunning color play and healthy, vigorous grandiflora bush. The flawless double flowers put on a spectacular show as they open a clear yellow with ravishing ruby red edges. Up to 40 petals pack each huge, lusciously colored blooms atop tall, strong stems. Ideal for long-lasting bouquets. Flowers appear generously all season on large, upright, exceptionally disease-resistant plants.

Rose, Hybrid Tea & Grandiflora 'Falling In Love'	Warm pink and cream	Strong rose and fruit fragrance		LSP-F
	Full sun	5"-7" wide blooms	3'-5' tall	3'-4' wide

Big, classically-formed, fragrant flowers of warm pink with creamy white reverses. Each long-lived, lovely blossom is regally carried atop sturdy stems, just waiting to be cut and enjoyed... or maybe just admired in the garden on the bushy, attractive plants with light green foliage. The flowers have a strong rose and fruit fragrance.

Rose, Hybrid Tea & Grandiflora 'Firefighter'	Dusky velvet red	Intense Old Rose; Strong, sweet, fruity, musk, raspberry fragrance		LSP-F
	Full sun	4 1/2" wide blooms	5'-6' tall	3'-4' wide

A big, super-fragrant, long-stemmed, rich red Hybrid Tea is the epitome of the classic rose in many people's minds. That's why there could be no better choice for the first sponsorship rose of the 'Remember Me' garden fund. Each plant sold will contribute toward the fund's effort to honor the victims of 9-11. You'll love the vigorous, bushy plant that provides armloads of buxom blossoms. Lots of clean green leaves keep it looking good in the garden, too. Cooler temperatures give the best red color.

Rose

Rose, Hybrid Tea & Grandiflora 'Fragrant Cloud'	Bright coral-red	Strong sweet, spice, and old rose fragrance	LSP-F	
	Full sun	5" wide blooms	3'-4' tall	3'-4' wide

This rose is known for a perfume so luxurious that a single flower can scent a room; the heady delicious perfume is sometimes clove, often spicy, definitely sweet, and mostly old rose; clusters of vibrant, high-centered coral-red blossoms cover the plant right through the hottest days of summer.

Rose, Hybrid Tea & Grandiflora 'Fragrant Plum'	Lavender-purple	Strong fruity fragrance	ESU-F	
	Full sun	4½" wide blooms	4'-6' tall	3'-4' wide

Very long elegant buds open to lavender flowers which blush to purple at the edges; the bloom color brightens with some heat; long stems are great for cutting.

Rose, Hybrid Tea & Grandiflora 'Francis Meiland'	Shell pink, turning white as flower ages	Strong, fruity and citrusy fragrance	LSP-SU	
	Full sun	5" wide blooms	6-6 1/2' tall	3' wide

This tall Hybrid Tea rose has very large, 5" wide blooms with good exhibition form and strong fragrance. Created by Francis Meiland's own daughter, Michou, it is only fitting that this new rose bears the name of the legendary breeder of the 'Peace' Rose. A multiple award winner in Europe for its disease resistance as well as aesthetics. The shell pink color will appear early in the season turning white with age. The blooms will be white most of the year. It is one of the first Hybrid Tea roses to win the prestigious ADR contest in Germany, where they are observed for two years with no spraying for diseases. AARS winner!

Rose, Hybrid Tea & Grandiflora 'Gold Struck'	Golden yellow	No noticeable fragrance	LSP-F	
NEW	Full sun	4" wide blooms	5 1/2' tall	4' wide

We've struck gold with this one! This gorgeous yellow blooming rose is highly disease resistant with excellent vigor. It flowers continuously and copiously throughout the season and is fabulous in a container or in the landscape. The golden yellow color sometimes becomes suffused with orange, and contrasts well with the dark green foliage. The petals are beautifully rounded and flare out to about 4" in diameter when fully open. The flowers have no noticeable fragrance.

Rose, Hybrid Tea & Grandiflora 'Good as Gold'	Deep golden, orange-yellow, finished with a kiss of red	Grapefruit & citrus fragrance	LSP-F	
	Full sun	Up to 5" wide blooms	3'-6' tall	3'-4' wide

Some might say "orange", some "gold", some "amber", or maybe its "double dipped yellow". Guaranteed to be bold and beautiful, especially with a kiss of red on the finish. This handsome, bushy bouquet machine will fill your garden with loads of long-stemmed lovelies clothed with a clear gown of rich green.

Rose, Hybrid Tea & Grandiflora 'Grande Dame'	Saturated rose-pink	Intense old rose fragrance	LSP-F	
	Full sun	5"-6" wide blooms	5'-6' tall	3'-5' wide

Everything old is new again... or is it the other way around? Here's a clean mean flowering machine whose big, bountiful beauties reek with old rose romance, style, and fragrance. Each lovely blossom invites you to bury your nose... to swoon from the perfume of the 'old time' roses of your dreams. A big, vigorous 'shrubby' bush whose nodding flower clusters, abundant deep green leaves and low-thorned cutting stems provide a perfect touch to a landscape or bouquet.

Rose, Hybrid Tea & Grandiflora 'Happy Go Lucky'	Pure even yellow	Moderate fruity & tea fragrance	LSP-F	
	Full sun	Up to 6" (5"-6") wide blooms	3'-5' tall	3' wide

BIG fragrant and full old-fashioned blossoms. All the charm of an English rose, but born on this side of the pond. Easily beats the disease resistance of an English variety hands down. Vigorous bushy plant blooms profusely well into the summer!

Rose, Hybrid Tea & Grandiflora 'Honey Nectar'	Bright orange to apricot	No noticeable fragrance	ESU-EF	
NEW	Full sun	3 1/2" wide blooms	5'-6' tall	4' wide

From the breeder of the Knock Out roses comes this super-clean grandiflora! The 3 1/2" wide flowers are a wonderful bright orange to apricot color, complimented by the very dark green and glossy foliage. The flowers have no noticeable fragrance. The foliage remains exceptionally clean even under tough, hot, and humid conditions. Extremely black spot resistant.

Rose

Rose, Hybrid Tea & Grandiflora 'Honor'

Clear white	Light Tea Rose fragrance	SP-F	
Full sun	4"-5" wide blooms	4'-5 1/2' tall	3'-4' wide

Lots of huge, well-formed clear white blooms are carried on tall stems atop the vigorous plants. Graceful long, pointed buds open to delicate, large white roses with a light Tea Rose fragrance. Large, dark green leaves and bronzy red new growth are very disease resistance.

Rose, Hybrid Tea & Grandiflora 'Lasting Love'

Dusky red and dark pink blend	Rich pure rose fragrance	LSP-F	
Full sun	4"-5" wide blooms	4'-5' tall	3' wide

Big showy blooms of blended dusky red and dark pink glimmer against foliage so gloriously glossy it almost looks artificial. Burgundy red new adds to the show. The flowers have a rich, pure rose fragrance, which is stronger than the fragrance of most red hybrid tea roses.

Rose, Hybrid Tea & Grandiflora 'Legends'

Ruby red	Moderate fruity fragrance	LSP-F	
Full sun	4"-5" wide blooms	3' tall	3'-4' wide

Monstrous buds and huge blossoms of rich ruby red hold their durable brilliance from beginning to end. The immense petals (just one can cover a child's palm) lend a classical Hybrid Tea bud shape, slowly spiraling open to a ruffled whopper of a show-stopper! The unusual red-green leaves enrobe the long cutting stems. The flowers have a moderate fruity fragrance. Chosen by Oprah Winfrey to pay tribute to the wonderful women honored during Oprah's Legends weekend.

Rose, Hybrid Tea & Grandiflora 'Melody Parfumee'

Deep plum buds open to lavender and soften to silver	Heavy old rose fragrance	LSP-F	
Full sun	4"-5" wide blooms	5' tall	4' wide

The spice-edged sweetness of this grandiflora is so tantalizing the French bottled it. Prolific clusters of classic bud form, high centers of deep plum colored buds unfurl to richly purple blossoms softening to lavender chiffon. Disease resistant foliage.

Rose, Hybrid Tea & Grandiflora 'Midas Touch'

Bright neon yellow	Moderate fruity fragrance	SP-F	
Full sun	4"-5" wide blooms	4'-5' tall	3' wide

WOWable yellow color- just one dazzling flower can draw a crowd and tempt the most finicky non-rosarian. The large flowers are resilient to all types of weather- and hold that neon yellow color to the very sweet end. The flowers have a moderate fruity fragrance. Glossy dark green foliage. Best flower size in cool weather.

Rose, Hybrid Tea & Grandiflora 'Miss Congeniality'

NEW

White and pink	Moderate pear and spice fragrance	LSP-F	
Full sun	2"-3" wide blooms	4'-5' tall	3'-4' wide

After 14 years of research, the experts at Weeks Roses got this one just right! This crown-worthy beauty is definitely one of the most charismatic and inspirational of the bunch. It deserves to be awarded for its pleasant personality and good looks. Perfectly shaped buds cover the extremely disease resistant bushes. 2" to 3" wide blossoms of pure white are kissed with vivid pink at the edges, and the large glossy leaves fend off disease with ease.

Rose, Hybrid Tea & Grandiflora 'Mister Lincoln'

Deep red	Strong, rich melon fragrance	ESU-F	
Full sun	4"-6" wide blooms	4'-5' tall	3'-4' wide

Rose, Hybrid Tea & Grandiflora 'Strike it Rich'	Deep gold with orange-pink	Strong sweet spice and fruit fragrance		ESU-MF
	Full sun	4 1/2"-5" wide blooms	5'-6' tall	3' wide

Spicy fragrance, loads of blooms, and super-long elegant buds of gold polished with rosy orange-pink. Ruby-swirled orange-gold 4 1/2" to 5" blooms spiral open from classically long buds poised on reddish stems. The long-lasting sparkling yellow-orange tones are rich and opulent. A great performer in the landscape- naturally disease resistant and good, strong vigor. Very dark green leaves and the unusual red stems set off the many showy clusters of blossoms. The flowers have a strong sweet spice and fruit fragrance.

Rose, Hybrid Tea & Grandiflora 'Sugar Moon'	Pure white	Intense sweet citrus and rose fragrance		LSP-SU
	Full sun	5" wide blooms	4'-5' tall	4' wide

White roses exude elegance, but not many of them have fragrance. This one does, though with its intense sweet citrus and rose perfume! Big pointed buds spiral open to show off broad petals of the purest white you can imagine on the 5" wide blooms. Black-green leaves make the pure white flowers pop! Good rebloom, natural vigor, and long cutting stems make this a perfect addition to your garden!

Rose, Hybrid Tea & Grandiflora 'Twilight Zone'	Deep velvety purple	Strong clove, spice, and citrus fragrance		LSP-SU
	Full sun	4"-5" wide blooms	4'-6' tall	3'-4' wide

Take the amethyst purple color and powerful perfume of 'Ebb Tide', but take it into a different dimension with a bigger flower and stronger plant. Clusters of deep, velvety, 4"-5" wide blooms, overlaid with a whisp of smoke, spiral open in old-fashioned, very double form and infuse the air with their intense fragrance of clove, spice, and lemony citrus blossom. The rounded bushes have a slightly spreading habit. The deep green, semi-glossy foliage complements the extraordinary flower color. Its good disease resistance, sultry color, and alluring fragrance ensure this is one rose you won't want to miss.

Rose, Hybrid Tea & Grandiflora 'World War II Memorial'	Lavender-gray	Strong sweet fragrance		LSP-F
	Full sun	4"-5" wide blooms	4'-5' tall	2'-3' wide

Named after the memorial honoring the Greatest Generation. Like members of this generation, the gray color does not hide the toughness of this high-centered Hybrid Tea. Wonderfully fragrant (strong and sweet) and perfect for cutting. Semi-glossy green foliage.

Rose, Miniature 'Cutie Pie' own root	Peachy yellow and pink	Mild fruity fragrance		LSP-F
NEW	Full sun	3" wide blooms	1'-2' tall	1'-2' wide

The blossoms of this compact rounded plant appear on long sturdy stems and are quite large for its type, making it perfect for cutting, just like a mini Hybrid Tea. The high-centered buds are yellow with a pink overlay and unfurl to reveal 3" blooms of peachy yellow blushed with light pink that becomes darker toward the petal edges. Blooms have a mild fruity fragrance and bloom in flushes from late spring to fall. Cute-as-a-button plants are perfect for landscapes with limited space, container plantings, or at the edge of the rose garden.

Rose, Miniature 'Lemon Drop' own root	Lemonade yellow	Light fruity fragrance		LSP-SU
	Full sun	2 1/4" wide blooms	16"-20" tall	12"-16" wide

This sweet piece of lemony eye-candy is loaded with old-fashioned formed flowers of bright lemonade yellow, lots of bright green clean leaves, long-lasting color, good vigor, and attractive habit. The 2 1/4" wide, clear blossoms have a light fruity fragrance and come in showy clusters.

Rose					
Rose, Miniature 'Ruby Ruby' own root	Cherry red	Mild fragrance			LSP-F

Rose, Rugosa rugosa 'Alba' own root	Pure white	Slight fragrance			LSP-F
KSU Easy Care Rose & Prairie Bloom	Full sun	3"-3 1/2" wide blooms	4'-6' tall	4'-6' wide	
Single, five-petaled, pure white flowers give way to large, edible, decorative hips that turn pink by July and are ripe and deep bright orange by August. Wildlife like to eat the hips. The flowers have a slight fragrance. Blooms well in the spring, with sporadic rebloom in the summer and fall. Very round, bushy, clean plants are known for their hardiness! Deep green quilted leaves. Recommended by K-State as an "Easy Care Rose"!					
Rose, Shrub 'Bull's Eye' own root	Ivory and cranberry	Sweet fragrance			LSP-SU
	Full sun	2 1/4"-3" wide blooms	4'-6' tall	3'-4' wide	
As the culmination of over 60 years of hybridizing efforts to cultivate a reblooming rose with an "eye", this rose finally hit the target. An extremely novel cranberry red blotch accents the base of each ivory petal of these sweetly scented, semi-double, 2 1/4" to 3" wide blooms that keep their unique look until the very end. Blooms in flushes throughout the season. Like the once-blooming species from which it obtained the lovely blotch, this bushy, upright shrub is filled with abundant, gray-green leaves, loves to grow, and may require some pruning in order to keep it tamed. Superb black spot resistance!					
Rose, Shrub 'Carefree Celebration' own root	Rich orange	Slight fragrance			LSP-F
	Full sun	2"-2 1/2" wide blooms	4 1/2' tall	4 1/2' wide	
This large shrub from the breeder of The Knock Out Roses shares the same superior disease resistance and flower power that are the trade signatures of Bill Radler's new creations. Unique, rich orange, cup-like, semi-double flowers have even stronger color in hot, humid climates! Very good disease resistant, matte-finish medium green foliage.					
Rose, Shrub 'Double Knock Out' own root	Deep cerise to cherry red	Light tea rose, slightly spice fragrance			LSP-F
KSU Easy Care Rose & Prairie Bloom	Part to full sun	2 1/2" wide blooms	3'-4' tall	3'-4' wide	
Just like the fabulous and famous 'Knockout', but with twice the number of petals! Buds open to deep cerise to cherry red double blooms with 18 to 24 petals each; up to 25 flowers on each branch bloom continually from late spring to frost; the flowers have a light tea rose, slightly spicy fragrance; deep mossy green foliage with blue and maroon highlights and maroon undersides turns deep, lustrous purple with maroon undertones in the fall; totally resistant to black spot and tolerant of other rose diseases. Recommended by K-State as an "Easy Care Rose".					

Rose					
Rose, Shrub 'Home Run' own root	True red	Slight fragrance			LSP-F
KSU Easy Care Rose & Prairie Bloom	Full sun	2" wide blooms	3'-4' tall	30" wide	
This rose is a proven All-Star! Absolutely, positively, the best true-red rose with continuous blooms and top level disease resistance! This flame red offspring of the famous 'Knock Out' has unbelievable resistance to both blackspot and powdery mildew and great resistance to downy mildew. Plus, it's heat tolerant, cold hardy, and requires no deadheading! Rounded, bushy plants showcase numerous single 2" flowers with a slight fragrance. Recommended by K-State as an "Easy Care Rose".					
Rose, Shrub Icecap own root	Pure white	No fragrance			SP-F
	Full sun	3" wide blooms	3'-4' tall	3'-4' wide	
This rose sparkles like a dusting of freshly fallen snow in the landscape, giving it a soft-spoken elegance! Its clear, pure white, 3" wide blossoms are produced in dense masses throughout the season and cover the mounding shrub like a blanket. Excellent repeat blooming and resistance to many common rose diseases such as black spot, mildew, and rust! Use for combination plantings or as a show-stopping hedge. 'Icecap' is the first introduction created from the combined breeding efforts of Will Radler (breeder of the 'Knock Out' roses) and Meiland International.					
Rose, Shrub 'Knock Out' own root	Fluorescent cherry red to deep pink	Light, sweet tea-rose fragrance			LSP-F
KSU Easy Care Rose	Part to full sun	3"-3 1/2" wide blooms	3' tall	3'-4' wide	
A rose even a non-rosarian can love!; deep, fluorescent cherry red flowers, to 3 1/2" across, open non-stop on compact, mounded plants; the flowers, which appear in clusters of 3 to 15 blooms, have a light tea rose fragrance and are set off by the dark green foliage; flowers are more red in cool weather and more deep pink in hot weather; totally black spot resistant!; reportedly not attractive to Japanese beetles; big bright orange hips in late fall will bring late season birds to your garden; neat, hedge-forming habit. Recommended by K-State as an "Easy Care Rose".					
Rose, Shrub 'Midnight Blue' own root	Black velvet purple	Strong, spicy clove fragrance			LSP-F
	Full sun	4"-5" wide blooms	2 1/2'-3' tall	3' wide	
Deep, velvet black-purple flowers have a spicy clove fragrance. Bright green leaves contrast nicely with the mysteriously colored flowers with the showy yellow stamens. Big clusters of blooms give lots of color.					
Rose, Shrub 'Oso Easy Lemon Zest' own root	Sunny canary yellow	No fragrance			LSP-F
	Full sun	2" wide blooms	18"-30" tall	18"-36" wide	
Brilliant color and excellent disease resistance makes it easy to enjoy. Flowers do not fade to white. Free-flowering, producing lots of buds which open to self-cleaning flowers.					
Rose, Shrub 'Oso Easy Mango Salsa' own root	Ruby red to orange	No fragrance			SP-F
	Full sun	2"-2 1/2" wide blooms	2'-3' tall	2'-3' wide	
Wow! The continuous blooms have an amazing color: shades of ruby red grapefruit, summer sunsets, and those fancy tropical drinks with umbrellas in them. The luscious, 2" to 2 1/2" wide flowers cover the tidy mound of dark, glossy green foliage from spring to fall!					
Rose, Shrub 'Oso Easy Paprika' own root	Reddish orange and yellow	No fragrance			LSP-F
	Full sun	2 1/2" wide blooms	1'-2' tall	4' wide	
Spice up your life with this remarkable, low mounded rose with loads of 2 1/2" wide reddish orange single blooms accentuated with a bright yellow eye. The glossy green foliage emerges with attractive hints of red in the new growth. This rose is 'Oso Easy'... blackspot and mildew resistant!

Rose, Shrub 'Pink Home Run' own root	Velvety warm pink	Slight fragrance			LSP-F
NEW KSU Easy Care Rose	Full sun	2"-2 3/4" wide blooms	2'-3' tall	30" wide	

When you got something as good as 'Home Run', it's a great surprise to discover a match. That's the excitement felt when one lone branch on the famous red Shrub had been found to have mutated to produce pink blossoms! 'Pink Home Run' is identical to the red one in every way except for the flower color.... and that color is soooo sweet! Very heat tolerant, the plants produce 5-petaled blossoms of intense, vivid, rich pink, appearing from late spring to first frost. She has complete black spot resistance and complete powdery mildew resistance, and a high level of tolerance to downy mildew as well! Recommended by K-State as an "Easy Care Rose".

Rose, Shrub 'Rainbow Knock Out' own root	Coral-pink and rich yellow	Light fragrance (the buds have a light juniper fragrance)			LSP-F
KSU Easy Care Rose	Part to full sun	2" wide blooms	3' tall	4' wide	

Bushy, dark green plants are covered in single coral-pink 2" blooms painted with rich yellow at the base. More compact and floriferous than other 'Knock Out' varieties. The buds have a sweet juniper fragrance. The blooms will fade some in strong sunlight, so it is best planted in morning sun. Unaffected by black spot. Good resistance to mildew and rust. Sets hips in autumn for a bit of winter color. Hardy to zone 4. 2007 AARS Winner. Recommended by K-State as an "Easy Care Rose".

Rose, Shrub 'Sunny Knock Out' own root	Bright yellow to rich creamy white	Moderate rose fragrance			LSP-F
KSU Easy Care Rose	Part to full sun	3" wide blooms	4'-5' tall	3'-4' wide	

The only fragrant member of the Knock Out Family. Single, 3" wide, slightly fragrant flowers open bright yellow, then quickly mature to rich pastel cream. The yellow pigments hold longer in cooler weather. Semi-glossy, dark green, disease-resistant foliage. When in full bloom, the contrast between the flowers and foliage delivers a beautiful show. Grows slightly larger than other 'Knock Out' varieties. Recommended by K-State as an "Easy Care Rose".

Rose, Shrub 'Take it Easy' own root	Red	Light rose fragrance			SP-F
	Full sun	4" wide blooms	4'-5' tall	2'-3' wide	

'Take It Easy', relax and enjoy life! Its dark green, shiny, and healthy foliage is naturally disease resistant! The foliage is the perfect background to showcase the many clustering buds and 4" wide flowers have a slight Tea Rose fragrance. This dynamite rose has classic red color, with ideal pointy and very elegant buds. The red coloration doesn't go too pink or blue as the petals are fading away. A touch of lighter pink reverse light up the show of this blooming machine! Its excellent vigor and the naturally self-maintained habit are other reasons why you can 'Take It Easy'!

Rose, Shrub 'Tequila' own root	Apricot-orange	No fragrance			LSP-SU
	Full sun	3 1/4" wide blooms	3'-4' tall	3' wide	

'Tequila' is reminiscent of the popular shrub rose 'Sevillana'. It produces a symphony of brightly colored apricot-orange blooms throughout the season. This beautiful plant can be grown as a specimen or, for a stronger effect, as a hedge. Great for landscaping in hot, dry climates. One of the very few good yellow/orange landscape roses.

Rose, Shrub 'The Fairy' own root	Light pink	Light apple fragrance			LSP-F
KSU Easy Care Rose	Full sun	1 1/2" wide blooms	3' tall	3'-4' wide	

Numerous clusters of double, light pink blooms. Very hardy. Excellent for low borders and as a ground cover. Recommended by K-State as an "Easy Care Rose".

Rose, Shrub 'Thrive!' own root	Fire engine red	No fragrance			SP-F
	Full sun	3" wide blooms	4 1/2' tall	3' wide	

The lineage continues! 'Thrive' is a new vibrant red landscape shrub rose, a strong and healthy descendant of 'The Knock Out' Rose! Although it is hard to follow in the footsteps of Grandfather Knock Out, this variety holds its own with hard-to-miss, bright, fire engine red, 3" wide blooms that last all season. Showy yellow stamens set off the dark red petals and the dark green and very glossy foliage. Foliage turns purple in the fall. Resistant to black spot, rust, and mildew. Use in landscapes, flower gardens, and in mass plantings.
